## CHAPTER 1: INTRODUCTION

The **FCS System User Manual** is designed to provide users with a comprehensive guide to effectively utilizing the **FCS system**. This manual serves as a reference document to help users understand the system’s functionalities, features, and processes to ensure smooth operation and efficient task completion.

By following the instructions in this manual, users will be able to navigate the system with ease, perform necessary actions, and troubleshoot common issues. The manual is structured to accommodate both new and existing users, offering clear step-by-step guidance for system access and usage.

### Purpose

The purpose of this manual is to equip users with the essential knowledge required to maximize the benefits of the **FCS system**. It provides:

- **A detailed overview of the system’s functions and capabilities** to help users understand its key features.
- **Step-by-step instructions** on accessing and operating the system efficiently.
- **Guidelines on alternative modes of operation and contingencies** in case of system issues or errors.
- **Best practices and recommendations** for optimal system use.

This manual ensures that users can confidently navigate the system while maintaining security, accuracy, and efficiency in their tasks.

### Contact Information

If users require further assistance or encounter any issues while using the **FCS system**, they can contact the **Federation of Investment Managers Malaysia (FIMM)** for support.

## CHAPTER 2: GENERAL SYSTEM INSTRUCTION

### 2.1 User Log in

The FCS system application is accessible only to registered users. Each user will be provided with a unique User ID and password to log in securely.

To access the system, users must navigate to the **main login page** (<https://fcs.fimm.com.my>) and enter their credentials. For first-time users, an initial login setup may be required to activate their accounts.

For security reasons:

- Users should keep their login credentials confidential.
- Passwords should be changed periodically to enhance security.
- In case of forgotten credentials, users can use the **"Forgot Password?"** option to reset their password.

#### Steps to Open the FCS System Website:

1. **Launch your web browser** (Google Chrome, Mozilla Firefox, Microsoft Edge, etc.)
2. **Enter the FCS System URL** in the address bar and press **Enter**.
3. The **login page** will appear, allowing users to enter their credentials.
